

# Welcome to Patient Express...

*Thorne Research is proud to introduce its new patient-direct purchasing program*

**Patient Express** makes managing nutritional support simple and easy for both you and your patients. By enrolling in **Patient Express** your patients can order directly from Thorne Research and you still get credit for every purchase they make! Increase your practice revenue without having to maintain an in-office product inventory. Turn the page to find out how you can take advantage of this new service.

## Key Benefits of Patient Express™

- Patients purchase products directly, either through the Thorne website, or for non-Internet users, by phone or fax.
- Receive a monthly check for 100 percent of the cash difference between wholesale and suggested retail price.
- Reduce or eliminate your in-office product inventory.
- Manage patient compliance easily with the program's online patient order history interface.
- Patients receive free shipping on orders over \$250.
